"WATER ACT, 1914."

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of Williams Creek, a Tributary of the Fraser River, Williams Lake, San Jose River, Knife Creek, and all other Streams in the Drainage Area of Williams Creek.

A MEETING of the Board of Investigation will be held at 150-Mile House on the 22nd day of July, 1914, at 10 o'clock in the forenoon, when all claims to water rights or privileges on the said streams which have been filed, all objections thereto, and the plans prepared for the use of the Board will be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to lands to which their water records are appurtenant. This may be done by producing, in case of Crown-granted lands, the title deeds, or a certificate of incumbrance; or in case of lands not held under Crown grant, by producing the pre-emption record, the

agreement of sale, the mining record, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works, and for the commencement and completion of such works.

And whereas there may be persons who, before the 1st June, 1912, were entitled to water rights on any of the said streams and yet have not filed statements of their claims with the Board of Investigation; such persons are required to file on or before the 9th day of July, 1914, a statement as required by section 294 of the "Water Act, 1914." Forms (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

Dated at Victoria, B.C., the 1st day of June, 1914.

For the Board of Investigation,

J. F. ARMSTRONG,
Chairman.

The water rights maps and the tabulation of records will be open for inspection at 9 o'clock in the forenoon, on the said 22nd day of July, 1914, at 150-Mile House. je4

3. There shall be a reservation for the use of the public of one hundred feet in width along the shore of each lake, river or stream within the parks, and any grant, lease or other disposal of lands within the parks shall be subject to such reservation.

And whereas in many cases the lots in the townsite extend to the shores of these streams and in some cases leases have been issued for lots coming within this reservation;

And whereas it is not considered that a one hundred-foot reservation along these streams would be of any benefit to the public, and it is desired to have provision made for the leasing of the lots affected by this reservation,—

Therefore His Royal Highness the Governor-General in Council is pleased,—under the authority of section 18 of the "Dominion Forest Reserves and Parks Act," as amended by an Act assented to on the 6th day of June, 1913,—to order that the leases already issued be approved, and to authorize the Minister of the Interior to lease any of the lots in the townsite as at present surveyed adjoining such streams or overflows, always excepting those coming within the one hundred-foot reservation along the main channel of the Bow River.

RODOLPHE BOUDREAU,

je4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 11th day of May, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council, dated 5th January, 1887, certain lands in and adjoining Township 39, west of the coast meridian, in the Province of British Columbia, were, in consequence of the construction of the Canadian Pacific Railway, reserved from sale and settlement; the lands covered by this reservation being more particularly described as follows:—

Commencing on the shore of the North Arm of Burrard Inlet at the north-west angle of Section 30, in Township No. 39, New Westminster District; thence south along the section lines to the south-west corner of the North-west Quarter of Section 19; thence east along the quarter-section lines to the north-east corner of the South-west Quarter of Section 22; thence at right angles south to the northern boundary-line of Lot 385, Group 1; thence west on the said line to the north-west corner of said Lot 385; thence south along the lot lines to the north-east corner of Lot 238, Group 1; thence west along the lot lines to the south-west corner of Lot 191, Group 1; thence northerly along the shore of Port Moody Harbour to north-west corner of said Lot 191; thence following the sinuosities of the shore-line of Port Moody Harbour, Burrard Inlet, and the North Arm, including Bedwell Bay, to the point of commencement;

And whereas the Pacific terminus of the Canadian Pacific Railway was located at Vancouver, and not as originally intended, and the reservation in ques-

tion was not thereafter specially required, but has nevertheless remained up to the present except for the withdrawal by Orders in Council of 18th September, 1909, 11th March, 1911, and 13th March, 1911, of lands entered and sold from time to time therein;

And whereas it is deemed to be in the public interest that the reservation be withdrawn and the available lands from time to time dealt with in accordance with the British Columbia Dominion Land Regulations,—

Therefore, the Governor-General in Council is pleased to order and it is hereby ordered that the reservation established by the said Order in Council of 5th January, 1887, be withdrawn.

Clerk of the Privy Council.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

HIS Royal Highness the Governor-General in Council, under and in virtue of the provisions of subsection 3 of section thirty-eight of the "Immigration Act," 9-10 Edward VII., and in view of the present overcrowded condition of the labour market in the Province of British Columbia, is pleased to make the following order:—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 24th day of April, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Coal Mining Regulations, established by Order in Council of the 20th April, 1910, provide that surveyed lands for the purpose of such regulations, shall mean a section or a part of a section, one of the boundaries of which has been defined by a surveyed line, and one of the corners of which has been marked on the ground by a survey post or mound, and the official plan of which, showing such survey and marking, has been approved by the Surveyor-General;

And whereas it would appear from representations made that coal has been discovered within the limits of the Monte Hills Forest Reserve, situated south-east of Kamloops, in the Railway Belt in the Province of British Columbia, and applications have been made to the Department of the Interior for leases of such coal mining rights;

And whereas only the outlines of the forest reserve appear to have been surveyed, so that the sections which adjoin the boundary-lines are surveyed, sections within the meaning of the regulations, while those lying within the reserve are unsurveyed;

And whereas, as the lands included in this reserve are withdrawn from sale or settlement, no further subdivision surveys within the reserve are contemplated;

Therefore,—as these lands are in a somewhat different position from other Dominion Lands affected by the Coal-mining Regulations, in as much as no further surveys are likely to be made,—His Royal Highness the Governor-General in Council

is pleased to order that,—provided one of the boundaries of a tract within this forest reserve, for which application may be made under the Coal-mining Regulations has been surveyed and the survey has been approved by the Surveyor-General,—the lands may be considered surveyed lands within the meaning of the regulations.

Clerk of the Privy Council.

MUNICIPALITY OF RICHMOND.

SEA ISLAND DYKING BY-LAW.

In the Matter of the "Municipal Act," and in the Matter of a Petition to the Corporation of the Township of Richmond for Dyking of that Part of the Municipality of the Township of Richmond called "Sea Island."

A By-law to provide for the Dyking of the Land hereinafter described in the Municipality of the Township of Richmond, and for borrowing on the credit of the Municipality the Sum of \$40,000 for completing the same. Provisionally adopted the twenty-first day of May, 1914.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking have petitioned the Council of the said Municipality of the Township of Richmond, praying that the said municipality do take steps under the provisions of section 134 of the "Municipal Act," chapter 170, R.S.B.C. 1911, and the amendments thereof, for dyking the area of land being portion of Sea Island comprised in the following described boundaries:—

Description of land to be benefited by the proposed dyke under section 112, "Municipal Act, 1914," as follows: Commencing at the north-west corner of Section 10, Block 5 North, Range 7 West, on the south bank of the North Arm of the Fraser River; thence following the line of the existing dyke through Section 9 and part of Section 16 to the westerly boundary of Section 16; thence south along the west boundaries of Sections 16, 21, and part of Section 28 to a point nineteen hundred (1,900) feet from the north-west corner of Section 28; thence east to where it strikes the existing dyke; thence along the line of the existing dyke through Sections 28, 27, 34, 35, 36, 31, 30, 29, 20, 17, 18, 7, 12, 11, and 10 to the point of commencement:

And whereas thereupon the said Council procured an examination to be made by Donald Cameron, being a person competent for such purpose, of the said locality proposed to be dyked, and has also procured plans and estimates of the work to be made by the said Donald Cameron, and an assessment to be made by him by such dyking, of the land and roads to be benefited, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such dyking by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Donald Cameron in respect thereof and of the said dyking being as follows:—

"I hereby certify that I have made a careful examination of the area hereinafter described, and find that every portion of it is equally benefited by the proposed dyking.

"The work to be done consists in providing new and additional flood-boxes, in raising the height of the dyke throughout, piling and otherwise protecting the eroded parts of the river-bank and the whole outer face of the dyke, all as shown on the plans prepared for the work.

"I have prepared an estimate of the cost of the work which is annexed hereto, and an assessment of the annual charges to be made on the area included in the scheme":

And whereas the said Council is of opinion that the dyking of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Municipality of the Township of Richmond, pursuant to the provisions of the "Municipal Act":—

1st. That the said report, plans, and estimates be adopted, and the said dyking and the works connected therewith be made and constructed in accordance therewith.

A By-law to provide for the Dyking of Lands hereinafter described in the Municipality of the Township of Richmond, and for borrowing on the Credit of the Municipality the Sum of \$24,500 for completing the same. Provisionally adopted the 21st day of May, 1914.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking have petitioned the Council of the said Municipality of the Township of Richmond, praying that the said municipality do take steps under the provisions of section 134 of the "Municipal Act," chapter 170, R.S.B.C. 1911, and the amendments thereof, for dyking that part or portion of the area of the said municipality, being that part of Lulu Island comprised in the following described boundaries:—

Description of land to be benefited by the proposed dyke under section 112, "Municipal Act, 1914," as follows: Commencing at the north-west corner of Section 24, Block 5 North, Range 6 West, at a point where Number Five (5) Road touches the southern bank of the North Arm of the Fraser River, and extending along the said southern bank of the North Arm of the Fraser River to Number Two (2) Road; thence south along the survey-line, being the centre line of said Number Two (2) Road, to the south-west corner of Section Seven (7), Block Four (4) North, Range Six (6) West, where the said Number 2 Road crosses section-line; thence easterly along the survey-line of Block Seven (7) and Eight (8) to the south-east corner of Section Eight (8), Block 4 North, Range 6 West, where Number Three (3) Road intersects; thence north along the survey-line of Number 3 Road until Number 20 Road intersects; thence east along the survey-line of Number 20 Road until Number 4 intersects; thence south along the survey-line of Number 4 Road to the south-west corner of Section Two (2), Block 4 North, Range 6 West; thence east along survey-line of Section Two (2), Block 4 North, Range 6 West, until Number 5 Road intersects; thence north along survey-line of Number 5 Road to point of commencement:

opinion will be derived in consequence of such dyking by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Donald Cameron in respect thereof and of the said dyking being as follows:—

"I hereby certify that I have made a careful examination of the area hereinafter described, and find that every portion of it is equally benefited by the proposed dyking.

"The work to be done consists in providing new and additional flood-boxes, in raising the height of the dyke throughout, piling and otherwise protecting the eroded parts of the river-bank and the whole outer face of the dyke, all as shown on the plans prepared for the work. I have prepared an estimate of the cost of the work which is annexed hereto, and an assessment of the annual charges to be made on the area included in the scheme":

MUNICIPAL BY-LAWS.

THE CORPORATION OF THE CITY OF FERNIE.

BY-LAW No. 149.

A By-law to assess, levy, and collect the Cost of the Construction, as a Work of Local Improvements, of Permanent Sidewalks under By-law No. 146, and to raise upon Loan the Necessary Moneys to pay the Cost thereof.

WHEREAS the Municipal Council of the Corporation of the City of Fernie did by By-law No. 146 authorize the construction, as a local improvement, of permanent sidewalks upon portions of the following streets in the said City of Fernie, namely: Mackenzie, Victoria, Pellatt, Howland, McPherson, Dalton, Bethune, Lindsay, Mason, Chipman, Nicholls, Morrice Avenues, and Walmsley, Gemmill, Wood, Cox, Hanson, McEvoy, Thompson, Rogers, Drinnan and Davies Streets:

And whereas the Council deferred making assessment until all such work had been carried out and the actual cost ascertained:

And whereas the cost of the work or improvement as shown by the joint report of the City Engineer and Assessor is four thousand five hundred and thirty-eight dollars and eighty cents (\$4,538.80), and such amount is required to be assessed against the owners of the real property benefited by such improvement:

And whereas the report of the said City Engineer and Assessor has been adopted by the said Council:

And whereas the said Council has raised from the Home Bank of Canada on a temporary loan the whole of such costs, namely, four thousand five hundred and thirty-eight dollars and eighty cents (\$4,538.80), and it is intended to repay same out of the proceeds of the loan to be raised hereunder:

And whereas the said Council has decided to distribute the payment of the cost of such works proposed to be assessed hereunder over a period of four (4) years, and to borrow the moneys necessary to defray such cost upon the special rates levied hereunder upon the lands and improvements benefited upon the guarantee of the Corporation at large:

And whereas the total frontage upon the said work of local improvement of the real property and portions of the real property immediately benefited is eight thousand five hundred and ninety-nine and one-half feet (8,599.5'), and the cost chargeable to the property benefited is as aforesaid the sum of four thousand five hundred and thirty-eight dollars and eighty cents (\$4,538.80):

And whereas the Corporation of the City of Fernie desires to pass a by-law for the purpose aforesaid:

Therefore the Municipal Council of the Corporation of the City of Fernie enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned, set forth, and described in the Schedule following:—
